NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an annual general and special meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of Solar Alliance Energy Inc. (the “**Company**” or “**Solar Alliance**”) will be held at 82 Richmond Street East, Toronto, Ontario, M5C 1P1 on the 13th day of December, 2024 at 12:00 p.m. (EST) for the following purposes:

1. to receive the audited consolidated financial statements of the Company for the fiscal years ended December 31, 2023 and 2022 and December 31, 2022, and 2021, together with the reports of the auditors thereon;
2. to elect directors to hold office until the next annual general meeting of the Company;
3. to appoint Kreston GTA LLP as auditor of the Company and to authorize the directors to fix the auditor’s remuneration;
4. to consider and, if thought fit, to pass an ordinary resolution providing for the approval of the Company’s Stock Option Plan and amendments thereto, as more particularly described in the Company’s management information circular dated October 24, 2024 (the “**Information Circular**”); and
5. to transact such further or other business as may properly come before the Meeting or any adjournment(s) or postponement(s) thereof.

The accompanying Management Information Circular provides additional information relating to the matters to be addressed at the Meeting and is deemed to form part of this Notice.

Shareholders who are unable to, or choose not to, attend the Meeting or any adjournments or postponements thereof in person are requested to complete, date, sign and return the accompanying form of proxy for use at the Meeting or any adjournments or postponements thereof. To be effective, the enclosed form of proxy must be deposited with TSX Trust Company, Proxy Department, P.O. Box 721, Agincourt, ON, M1S 0A1, (by mail or hand delivery); voted by fax at (416) 595-9593 or by email by sending your proxy to proxyvote@tmx.com or cast your vote online at www.meeting-vote.com and follow the instructions on the website. The control number located on the proxy form is required for voting online. In order to be valid and acted upon at the Meeting, the duly-completed form of proxy must be received prior to 12:00 p.m. (Toronto time) on December 11, 2024, or in the case of any adjournment or postponement of the Meeting, not later than 48 hours (excluding Saturdays, Sundays and Statutory Holidays in Toronto, Ontario) prior to the time set for the adjourned or postponed Meeting, or be deposited with the Secretary of the Company before the commencement of the Meeting or of any adjournment thereof. Notwithstanding the foregoing, the Chair of the Meeting has the discretion to accept proxies received after such deadline.

The Company has elected to use the notice-and-access process (“**Notice-and-Access**”) that came in effect on February 11, 2013, under NI 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of this Information Circular and other meeting materials to registered Shareholders of the Company and Non-Registered Shareholders (as defined herein).

Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR+ and one other website, rather than mailing paper copies of such meeting materials to Shareholders. The Company anticipates that utilizing the Notice-and-Access process will substantially reduce both postage and printing costs.

Meeting materials including the Information Circular and the Company's audited financial statements for the years ended December 31, 2023 and December 31, 2022, and the Company's management discussion and analysis for the years ended December 31, 2023 and December 31, 2022, are available on the Company's website at <https://www.solaralliance.com/investors/> and on the Company's SEDAR+ profile at www.sedarplus.ca.

Although the Information Circular and related materials (collectively, the '**Meeting Materials**') will be available electronically online, as noted above, the registered Shareholders and non-registered Shareholders (subject to the provisions set out in the accompanying Management Information Circular under the heading "**NON-REGISTERED SHAREHOLDERS**") will receive a "notice package" (the "**Notice-and-Access Notification**") by prepaid mail, which includes the information prescribed by NI 54-101 and a proxy form or voting instruction form from their respective intermediaries. Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. **Shareholders are reminded to review the Information Circular before voting.**

Shareholders will not receive a paper copy of the Meeting Materials unless they request paper copies from the Company. To receive a paper copy in time to vote before the Meeting, requests for paper copies should be received by the Company's registrar and transfer agent, TSX Trust Company, by December 3, 2024. Requests for paper copies of the materials received after this time will be delivered to Shareholders in accordance with applicable securities laws. Shareholders who have questions about Notice-and-Access may contact the Company toll free at 1-888-DSA-CORP (372-2677) or info@solaralliance.com.

If you are a beneficial or non-registered holder of common shares in the capital stock of the Company and have received these materials through your broker, custodian, nominee, or other intermediary, please complete and return the form of proxy or voting instruction form provided to you by your broker, custodian, nominee, or other intermediary in accordance with the instructions provided therein. A beneficial or non-registered Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity.

DATED as of the 24th day of October, 2024.

BY ORDER OF THE BOARD
SOLAR ALLIANCE ENERGY INC.

President, Chief Executive Officer & Chairman

SOLAR ALLIANCE ENERGY INC.

MANAGEMENT INFORMATION CIRCULAR AS AT OCTOBER 24, 2024

PERSONS MAKING THE SOLICITATION

This management information circular (the “**Information Circular**”) has been furnished by the management of Solar Alliance Energy Inc. (the “**Company**”) for use by everyone who was a shareholder of record of the Company on October 24th, 2024, which is the date that has been fixed by the directors (the “**Board**”) of the Company as the record date to determine the shareholders who are entitled to receive notice of the meeting.

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of our management for use at the annual general and special meeting of the shareholders of the Company that is to be held on **December 13, 2024, at 12:00 p.m.** (EST) at 82 Richmond Street East, Toronto, Ontario M5C 1P1 (the “**Meeting**”). The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

Under the Company’s Articles, one shareholder must be present in person or represented by proxy holding or representing not less than one share of the issued shares entitled to vote at the Meeting before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, we will reschedule the Meeting.

References to dollars (\$) in this Information Circular shall mean Canadian dollars unless otherwise indicated.

PART 1 – VOTING

HOW A VOTE IS PASSED

All the matters that will come to a vote at the Meeting as described in the attached Notice of Meeting are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, the resolution is approved.

WHO CAN VOTE?

If you are a registered shareholder of the Company as at October 24, 2024, you are entitled to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “Voting by Proxy”). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, or other financial institution) you should refer to the section entitled “Non-registered Shareholders” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote, or you can let him or her decide for you. You can do this by completing a form of proxy.

To be valid, you must return the completed form of proxy 48 hours, excluding Saturdays, Sundays, and holidays, prior to the time of the Meeting or adjournment thereof to our transfer agent, TSX Trust Company, Proxy Department, P.O. Box 721, Agincourt, ON, M1S 0A1, or by email by sending your proxy to proxyvote@tmx.com, or facsimile at (416) 595-9593 or cast your vote online at www.meeting-vote.com and follow the instructions on the website. The control number located on the proxy form is required for voting online.

What is a proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder. Those persons are directors and/or officers of the Company.

Instructioning your proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

- ✓ **FOR the election of the proposed nominees as directors;**
- ✓ **FOR the appointment of Kreston GTA LLP, Chartered Professional Accountants, as the auditor of the Company and to authorize the directors to fix the remuneration to be paid to the auditor; and**
- ✓ **FOR the resolution to approve the renewal of the Company's stock option plan.**

For more information about these matters, see "*Part 3 - The Business of the Meeting*." The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified on the Notice of Meeting. At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing your mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by: (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Registered Office of the Company at 620 -1111 Melville St, Vancouver, BC V6E 3V6; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 12:00 p.m. (EST) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

NOTICE AND ACCESS

The Company has elected to use the notice-and-access process ("**Notice-and-Access**") that came in effect on February 11, 2013 under NI 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of this Information

Circular and other meeting materials to registered Shareholders of the Company and Non-Registered Shareholders (as defined herein).

Notice-and-Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR+ and one other website, rather than mailing paper copies of such meeting materials to Shareholders. The Company anticipates that utilizing the Notice-and-Access process will substantially reduce both postage and printing costs.

Meeting materials including the Information Circular and the Company's audited financial statements for the years ended December 31, 2023 and December 31, 2022, and the Company's management discussion and analysis for the years ended December 31, 2023 and December 31, 2022, are available on the Company's website at <https://www.solaralliance.com/investors/> and on the Company's SEDAR+ profile at www.sedarplus.ca.

Although the Information Circular and related materials (collectively, the 'Meeting Materials') will be posted electronically online, as noted above, the registered Shareholders and non-registered Shareholders (subject to the provisions set out below under the heading "**NON-REGISTERED SHAREHOLDERS**") will receive a "notice package" (the "**Notice-and-Access Notification**") by prepaid mail, which includes the information prescribed by NI 54-101 and a proxy form or voting instruction form from their respective intermediaries. Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Shareholders are reminded to review the Information Circular before voting.

Management of the Company intends to pay for intermediaries to forward the Notice-and-Access Notification to OBOs (as defined herein) under NI 54-101.

Shareholders will not receive a paper copy of the Meeting Materials unless they request paper copies from the Company. To receive a paper copy in time to vote before the Meeting, requests for paper copies should be received by the Company's registrar and transfer agent, TSX Trust Company, by December 3, 2024. Requests for paper copies of the materials received after this time will be delivered to Shareholders in accordance with applicable securities laws. Shareholders who have questions about Notice-and-Access may contact the Company toll free at 1-888-DSA-CORP (372-2677) or info@solaralliance.com.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or proxyholders duly appointed by registered Shareholders are permitted to vote at the Meeting. Most Shareholders of the Company are "non-registered" shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered Shareholders are entitled to vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, most of such Common Shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depositary Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the brokers' clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. Most brokers now delegate the responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders, and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions

respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge well in advance of the Meeting) to have the Common Shares voted.**

The Notice-and-Access Notification is being sent to both registered Shareholders and indirectly to Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBOs**”).

Management of the Company does not intend to pay for intermediaries to forward the Notice-and-Access Notification to OBOs (as defined herein) under NI 54-101.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized voting share capital of the Company consists of an unlimited number of common shares. The Company has authorized capital of an unlimited number of preferred shares of which none have been issued. Each holder of common shares is entitled to one vote for each common share registered in his or her name at the close of business on January 30, 2023, the date fixed by our directors as the record date for determining who is entitled to receive notice of and to vote at the Meeting.

At the close of business on October 24, 2024, there were 294,193,938 common shares outstanding (the “**Outstanding Shares**”). To the knowledge of our directors and officers, except as noted below, there were no persons or companies who beneficially own, directly or indirectly or exercise control or direction over shares carrying more than 10% of the voting rights attached to all Outstanding Shares of the Company

Shareholder	No. of Common Shares	% of outstanding Common Shares
Tom Anderson ⁽¹⁾	100,216,369	34.08%

Notes:

- (1) The 100,216,369 Common Shares are owned as to 76,398,174 Common Shares by Inspiration Holdings Limited, a private corporation, managed by Tom Anderson, 500,000 Common Shares are held by Tom Anderson, though Ashdale Investment Trust Services Ltd., 21,018,195 Common Shares held by Tom Anderson directly and 2,300,000 are held through Leede Jones Gable Inc. via a brokerage account which Tom Anderson is the beneficial owner.

PART 3 – THE BUSINESS OF THE MEETING

1. Financial Statements

The consolidated financial statements for the fiscal years ended December 31, 2023 and 2022 and December 31, 2022, and 2021, together with the reports of the auditors thereon, will be placed before you at the Meeting. These financial statements may be requested by completing the enclosed Financial Statement Request Form that accompanies the Notice-and-Access Notification or may be viewed online under the Company’s SEDAR+ profile at www.sedarplus.ca.

2. Election of Directors

The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time.

Nominees for Election

The following are the nominees proposed for election as directors of the Company together with the number of voting securities of the Company that are beneficially owned, directly or indirectly, or over which control or direction is exercised, by each nominee. All of the nominees are currently directors of the Company. Each of the nominees has agreed to stand for election and we are not aware of any intention of any of them not to do so. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the Meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

As of the date hereof, no additional director nominations for the Meeting have been received by the Company in compliance with the Company's Advance Notice Policy approved by the Board on April 27, 2018.

The Company's Articles include an advance notice provision (the "**Advance Notice Provision**"), which provides Shareholders, directors and management of the Company with direction on the procedure for Shareholder nomination of directors. The Advance Notice Provision is the framework by which the Company seeks to fix a deadline by which holders of record of Shares must submit director nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to the Company for the notice to be in proper written form. A copy of the Company's articles which include the Advance Notice Provision can be found under the Company's issuer profile on SEDAR + at www.sedarplus.ca. No director nominations have been made by the Shareholders in connection with the Meeting under the terms of the Advance Notice Provision as at the date hereof.

Management of the Company recommends that shareholders vote in favour of the nominees for election as directors. Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the election of the four nominees as directors of the Company for the ensuing year.

Cease Trade Order and Bankruptcy

On May 1, 2015, the Company was granted a Management Cease Trade Order (“**MCTO**”) issued by the British Columbia Securities Commission (“**BCSC**”) while it completed negotiations to acquire Solar Alliance of America, Inc. and had its 2014 financial statement audit completed. The MCTO restricted all trading in the Company’s securities whether direct or indirect, by any of the executive officers of the Company until such time as the outstanding financial reports were filed with the respective securities commissions. The Company issued bi-weekly updates regarding the MCTO by press-release, as required. The 2014 financial statements originally due by April 30, 2015, were filed on SEDAR+ on June 11, 2015. The filing due date for the first interim quarterly report for the period ended March 31, 2015, was May 29, 2015, and accordingly, after the 2014 year-end financial were filed, the MCTO remained in place until the 2015 Q1 report was filed, which was on June 19, 2015. The MCTO was revoked by the BCSC on June 24, 2015.

Other than what has been set out above, no proposed director of the Company is, as at the date of this Information Circular, or was within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company), that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days, which was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days, that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

No director or proposed director or executive officer of the Company:

- (a) is, as at the date of this Information Circular, or has been within the 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement, or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director, executive officer, or shareholder.

No director or proposed director or executive officer of the Company has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor deciding whether to vote for a proposed director.

3. Appointment of the Auditor

Shareholders will be asked to approve the appointment of Kreston GTA LLP of Toronto, Canada, as auditor of the Company to hold office until the next annual general meeting of Shareholders at a remuneration to be fixed by the Board of Directors.

Kreston GTA LLP was appointed as the Auditor of the Company on March 1, 2024. The Change of Auditor Reporting Package is attached hereto as Schedule “C”. The Company’s previous Auditor, KPMG LLP, was appointed auditor of the Company on February 1, 2023, and served until March 1, 2024.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Kreston GTA LLP to act as our auditor until the close of our next annual general meeting and to authorize the Board to fix the remuneration to be paid to the auditor.

4. Approval of Amended Stock Option Plan

The Company currently has in place a rolling stock option plan (the “**Option Plan**”) pursuant to which the Company may grant incentive stock options to directors, officers, employees, management company employees and consultants of the Company or any of its affiliates (“**Eligible Persons**”). The Option Plan was last approved by shareholders of the Company at the annual general meeting of the Company on March 21, 2023.

The Board has approved amendments to the Option Plan, if they so choose and with the permission of the Company, to exercise their options by way of Cashless Exercise (as defined in the Option Plan) and Net Exercise (as defined in the Option Plan). Cashless Exercise permits the option holder to purchase shares awarded under the Option Plan using money loaned to them from a brokerage firm rather than funding the exercise with their own personal funds. Payment and delivery of shares under a Cashless Exercise would be as follows: (i) a brokerage firm loans the aggregate exercise price to the option holder (the “**Loan**”); (ii) the Company issues the shares then being purchased pursuant to the exercise of the option and deposits the shares with the brokerage firm; (iii) the brokerage firm then sells a sufficient number of those shares on behalf of the option holder to generate net cash sale proceeds to repay the Loan; and (iv) the net cash sale proceeds are applied in full repayment of the Loan to the brokerage firm and the option holder is entitled to receive any remaining balance of the net cash sale proceeds and the balance of the shares. Net Exercise permits the option holder to surrender or terminate their right to purchase a certain number of shares pursuant to their options in order to satisfy the payment required by exercising their options. Without paying any cash, upon exercise, the option holder will receive shares with a total aggregate value equal to the quotient obtained by dividing: (a) the product of the number of options being exercised multiplied by the difference between the VWAP (as defined in the Option Plan) of the underlying shares and the exercise price of the subject Options; by (b) the VWAP of the underlying shares. Option holders will be able to select their desired method of exercise by checking the appropriate box on their exercise notice. Option holders performing Investor Relations Activities (as defined in the Option Plan) may not exercise their options by way of Cashless Exercise or Net Exercise.

In accordance with the rules and policies of the TSX Venture Exchange (the “**TSX-V**”), shareholders must each year approve the Option Plan including material amendments thereto. The Option Plan is a rolling stock option plan that permits the granting of options of up to 10% of the common shares of the Company issued and outstanding at the date of grant. As of December 31, 2023, there were 18,914,286 options outstanding, and as of the date hereof, there are 10,275,000 options outstanding, of which 10,275,000 options are fully vested and exercisable.

The Board is of the view that it is in the best interests of the Company to approve the Option Plan, which will enable the Board to grant options to Eligible Persons as a means of rewarding positive performance and providing incentive to attract and retain personnel to effectively manage the affairs of the Company.

The Company is of the view that the Option Plan provides the Company with the flexibility necessary to attract and maintain the services of senior management and other employees in competition with other companies in the renewable energy industry. The Board shall also have the authority to amend the Option Plan to reduce the benefits to its participants if in their discretion it is necessary or advisable to obtain any necessary regulatory approvals.

Shareholder Approval

The Company is asking its Shareholders to vote affirmatively on the following ordinary resolution to approve the amended Option Plan (the “**Option Plan Resolution**”):

“BE IT RESOLVED THAT, subject to regulatory approval, the Option Plan authorizing the directors to grant options on shares totaling up to a maximum of 10% of the Company’s common

shares issued and outstanding from time to time, as at the date of the relevant grant, be and it is hereby approved, together with all options granted thereunder as at the date hereof, and that the Board of Directors be and they are hereby authorized, without further shareholder approval, to carry out the intent of this resolution.”

If this resolution is approved by shareholders, it is expected that the Board will in due course grant further options under the Option Plan as the Board deems fit in light of the overall compensation program and the relative efforts and contributions of the eligible participants under the Option Plan.

The Board recommends that shareholders vote for the Option Plan Resolution. In the absence of contrary instructions, the persons named in the enclosed form of proxy intend to vote for the Option Plan Resolution. The discretionary authority granted by the enclosed proxy will be used by management to approve any amendments to the above resolution acceptable to it.

Stock Option Plans and Other Incentive Plans

Option Plan

The Company currently has in place a rolling stock option plan (the “**Option Plan**”) pursuant to which the Company may grant incentive stock options to directors, officers, employees, and consultants of the Company or any of its affiliates (“**Eligible Persons**”). The Option Plan is the Company’s only securities-based compensation plan. As of December 31, 2023, there were 18,914,286 options outstanding, and as of the date hereof, there are 10,275,000 options outstanding, of which 10,275,000 options are fully vested and exercisable.

A summary of the material terms of the Option Plan is as follows:

1. The Option Plan is a “rolling plan” under which the aggregate maximum number of common shares which may be reserved for issuance is 10% of the total number of common shares of the Company issued and outstanding from time to time.
2. The number of shares subject to each option is determined by the Board provided that the Option Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12-month period, result in:
 - (a) The issuance of stock options to any one person, within that period, of a number of shares exceeding 5% of the issued shares of the Company; and
 - (b) the issuance, within that period, to insiders of the Company of a number of shares exceeding 10%, or to one insider of a number exceeding 5%, or to a consultant of a number exceeding 2%; the aggregate number of shares granted to all eligible recipients employed to provide investor relations activities (as defined by the TSX-V) must not exceed 2% of the issued shares of the Company.
3. Unless disinterested shareholder approval is obtained, the maximum aggregate number of Common Shares for which Options may be granted or issued to Insiders (as a group) under the Option Plan and together with Common Shares issuable under all other Share Compensation Arrangements (as defined in the Option Plan) of the Company shall not exceed 10% of the issued and outstanding Common Shares of the Company at any point in time;
4. Persons providing investor relations services to the Company may not receive any security-based compensation other than Options.
5. The exercise price of options must be determined by the Board in compliance with applicable stock exchange policies.
6. The Option Plan provides that options are exercisable for 10 years unless the Board provides for another exercise period, which exercise period must be in compliance with applicable stock exchange policies.
7. Options granted under the Option Plan are non-assignable and non-transferable. The options can only be exercised by the option holder as long as the option holder remains an Eligible Person pursuant to the Option Plan or within a period of not more than one-year after ceasing to be an Eligible Person.
8. The options granted pursuant to the Option Plan will be vested on a basis to be determined by the Board and may be vested immediately upon granting.
9. The options granted to an Eligible Person conducting investor relations activities must vest in stages over a period of not less than 12 months with no more than $\frac{1}{4}$ of the Options vesting in any three-month period. No acceleration of the vesting provisions on options granted regarding investor relations activities is allowed without prior TSX-V approval.
10. On the occurrence of certain “substitution events” (including certain reorganizations, amalgamations, mergers or business combinations and takeover bids), all outstanding options will vest, subject to prior acceptance of TSX-V.
11. The Option Plan provides that the options of a deceased option holder expire on the earlier of (a) a period equal to the period the deceased option holder served the Company, and (b) 365 days following death.
12. The Option Plan provides that if a consultant holding options becomes another kind of Eligible Person at the termination of a consulting contract (e.g., if a consultant is hired as an employee), he or she will continue to

hold the options granted while a consultant. Similarly, if an Eligible Person who is not a consultant becomes a consultant, he or she will continue to hold the options granted to him or her prior to becoming a consultant.

13. Options may be exercised by way of a cash payment or by way of Cashless Exercise or Net Exercise.
14. The Board has the discretion (subject to applicable stock exchange rules) to extend the expiry dates of options granted to consultants following the termination of a consulting agreement in the same way it can extend the expiry dates of options granted to other option holders following termination of service to the Company.

Oversight and Description of Director and NEO Compensation

Compensation Philosophy

Our overall compensation philosophy is to provide a compensation package that enables us to attract, retain and motivate executive officers and employees to achieve our short-term and long-term business goals. Consistent with this philosophy, the following goals provide a framework for our executive officer's compensation program:

1. Pay competitively to attract, retain, and motivate executive officers;

2. Relate total compensation for each executive officer to overall company performance;
3. Aggregate the elements of total compensation to reflect competitive market requirements and to address strategic business needs;
4. Expose a portion of each executive officer's compensation to risk, the degree of which will positively correlate to the level of the named executive officer's responsibility and performance; and
5. Align the interests of our named executive officers with those of our shareholders.

The Company's directors or Named Executive Officers are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

Oversight of Executive Compensation Program

The Board is responsible for establishing a compensation policy and administering the compensation programs of our executive officers. The members of the Board are Ken Stadlin, Anton Shihoff, Robert Miller, and Brian Timmons (Chair). Messrs. Stadlin, Shihoff and Miller are considered independent directors under the rules of the TSX-V and applicable securities legislation.

The amount of compensation paid by the Company to each of its executive officers and the terms of those persons' employment is determined solely by the Board. The Board considers the implications of risks associated with the Company's compensation policies and practices and considers the compensation paid by the Company to mitigate those policies and practices that could encourage a named executive officer or any employee of the Company to take inappropriate or excessive risks to enhance any portion of their compensation package.

The Board also recommends the amount of compensation paid by the Company to its independent directors.

Compensation Program Overview

The compensation package is comprised of:

1. base salary; and
2. equity based compensation in the form of stock options to purchase common shares pursuant to the Option Plan.

In making determinations of salary levels for the executive officers, the Board considers the equity compensation provided under the Option Plan to provide a compensation package that encourages and motivates performance.

Base Salary

The base salary currently paid to our executive officers is commensurate with the nature of our business and their individual experience, duties, and scope of responsibilities.

The Company intends for salary levels to be consistent with competitive practices of comparable organizations and each executive's level of responsibility. The Board is likely to determine the level of any salary (or salary increase) after reviewing the qualifications, experience, and performance of the executive officer and the nature of our business, the complexity of its activities, and the importance of the executive's contribution to the success of the business through discussion only, with no formal objectives (performance or otherwise) or criteria. The Board may also take into consideration salaries paid to others in similar positions in the Company's industry based on the experience of the Board members and review of publicly available information. The discussion of the information and factors considered and given weight by the Board is not intended to be exhaustive, but it is believed to include all material factors considered by the Board. In reaching the determination to approve and recommend the current base salaries of the Company's executive officers, the Board did not assign any relative or specific weight to the factors which were considered, and the members may have given a different weight to each factor. The Board will review and adjust the base salaries of our executive officers when deemed appropriate.

Option-Based Awards

Stock option grants are an important part of the Company's incentive strategy, permitting Eligible Persons to share in any appreciation of the market value of the Company's shares over a stated period, and it is intended to reinforce

commitment to long-term growth and shareholder value. Stock options reward overall corporate performance, as measured through the price of the Company's shares, and enables participants to acquire and maintain an ownership position in the Company.

The Board recommends the individual stock options to the independent directors and the size of the grants are dependent on, among other things, each individual's level of responsibility, authority and importance to the Company and the degree to which such long-term contribution to the Company will be responsible for its long-term success. The Board also evaluates the number of options an individual has been granted, the exercise price of the options and the term remaining on those options when considering further grants. Options are usually priced at the closing trading price of the Company's shares on the business day immediately preceding the date of grant and the current policy of the Board is that options expire five years from the date of grant.

The Company normally grants stock options to an executive officer when they first join the Company based on their level of responsibility. Additional grants may be made periodically to ensure that the number of options granted to any officer is commensurate with the officer's ongoing level of responsibility within the Company.

Benefits and Perquisites

The Company's named executive officers do not receive perquisites or benefits that are not generally available to all employees of the Company.

Pension Plan Benefits

The Company has no formal pension, retirement, or other long-term incentive compensation plan in place for its directors, officers, or employees.
